

## Riders Bulletin for SCMA Members – August 2025

### Happy Labor Day Weekend!

We like to share news with SCMA Members between newsletters. This bulletin format focuses on what SCMA riders are doing. If you would like to share what you are up to, send some words and pictures to [newsletter@sc-ma.com](mailto:newsletter@sc-ma.com).

### CERTIFICATIONS

We have received and processed many requests for ride certifications. I have **attached a summary of the names by ride for those whose rides have been certified as of yesterday**. There are more in the queue and coming in every day. In September, watch for more names and updates to the Finishers lists on the website.

I used to work for a manufacturing company whose revenue line looked like a hockey stick with everything coming in December. We hope you are successful getting all your riding done and your requests for certification in as soon as you can. We look forward to sending out your certificates and swag plus ordering your plaques at the end of the year.

**Seriously, you can let us know what you're up to by emailing the ride chair of the ride you have chosen. We love to hear from you.**

### FINISHER BANQUET

The preparations for a banquet celebrating SCMA finishers, and all member riders, have started for an event in Southern California in the early spring in 2026. We have chosen to alternate annual events between the Phoenix area and Southern California.

### THREE FLAGS CLASSIC

We hope you are all riding somewhere this Labor Day weekend to ease the pain of no Three Flags Classic this year. We will continue the Classic with the 48th in 2026 and will put out some details around the end of this year and start of next year.

In the background, we are working on assembling memorabilia from all TFC years to display the story that started in 1976 on our new website [www.sc-ma.com](http://www.sc-ma.com). In addition to routes, passports, stickers, patches, tickets, welcome letters, we have nice photos of the buckles, plaques, and pins. We will need help with photos of hats and t-shirts to complete the story. In the coming months we will announce a page on the new website where we will ask you to share some TFC stories and a few of your favorite TFC pictures. We would love to collect pics of you and your friends in the TFC ride hats and t-shirts as part of the haul.

I spoke with a rider yesterday who has ridden 21 TFCs and he had a few classic stories to share. Watch for his story with a few photos in the next newsletter.

Ride On.
